A Work Permit will be issued for a period of 90 days, generally within 10 days from the time the Board receives:

The Board has approved two law and professional ethics courses, developed independently by the California Society for Respiratory Care (CSRC) and the American Association for Respiratory Care (AARC), which are available via the Internet (the CSRC also provides "live" sessions on designated dates). Each of the approved courses are unique, though they both are 3-hours in length and consist of the following subject areas:

- * Obligations of licensed respiratory care practitioners to patients under their care;
- * Responsibilities of respiratory care practitioners to report illegal activities occurring in the workplace, and
- * Acts that jeopardize licensure and licensure status.

Only ONE law and professional ethics course is required to be completed prior to licensure (either the CSRC's or AARC's course). Before deciding which course to take, you are encouraged to visit each providers' website to review additional information pertaining to the administration of each course. You can then select the course provider that best meets your individual needs.

Prior to licensure, you must provide the Board with a copy of a Certificate of Completion, from either the AARC or CSRC, verifying successful completion of the mandatory course. Links to both courses are available via the Board's website at www.rcb.ca.gov or you may contact each provider as follows:

CSRC

Please complete the enclosed Live Scan form and take it to your local Police, Sheriff, or Department of Justice (DOJ) office in your area for processing. You are encouraged to contact the Live Scan agency directly to determine if an appointment is necessary and to confirm what method of payment is accepted at the particular facility. You can view a listing of locations at:

<http://ag.ca.gov/fingerprints/publications/contact.pdf>

Problematic fingerprint imaging may result in delayed processing by either the DOJ or the Federal Bureau of Investigations (FBI). You should be notified of this fact within two weeks of the imaging date. In the event Live Scan service is not available (i.e., out-of-state applicants), fingerprint cards can be requested by contacting the Board.

The Board must receive a clearance from the DOJ before any applicant is considered for an Applicant Work Permit. The DOJ's average processing time for Live Scan responses is 1-2 weeks.
