Respiratory Care Department Spotlight Questionnaire

Thank you for your interest in being featured as part of our “Respiratory Care Department Spotlight” series! Please complete the following questions. While we can’t guarantee when or if your department will be featured, we’ll notify you if your department is selected. If you need extra space for your responses, feel free to attach a separate sheet.

Facility Name: _____ Location (city): _____
Contact Email: _____

Please provide the facilities full name, address, and department name (if different). How many RCPs are employed in your department?

Briefly describe your respiratory care department and the types of services your team provides.

What settings do your RCPs work in (e.g., ICU, NICU, ED, transport, outpatient, home care, etc.)?

What makes your department unique?

How does your team support student learning or clinical education?

Do you have any standout moments, projects, or recognitions you'd like to share?

How does your department foster collaboration and morale?

What advice would your department give to new grads entering the field?

What impact do you hope your team has on the community or the profession?

Does your team celebrate Respiratory Care Week or other events in a special way?

Any social media accounts (facility or department) you'd like us to tag when we feature your spotlight?

Please email your completed questionnaire to rcbsocialmedia@dca.ca.gov.

We'd love for you to include photos of your team, workspace, or anything that helps tell your story! High-resolution images work best. If individuals are clearly identifiable, please ensure you have their permission for us to share the images on RCB's social media platforms. Thank you for helping us highlight the incredible work of California's respiratory care professionals! Be sure to follow us on Instagram, X (formerly Twitter), and Facebook to stay connected.
